- References in brackets relate to the original questions set out in my Stage 1 Matters Issues and Questions. **10am start**

**MATTER 4 – SUPPLY OF HOUSING.**

*As set out in my MIQs, subject to being able to conclude that the Plan is capable of being found sound and legally compliant, I am intending to move to a second phase of hearings at which I would consider matters in detail, such as the supply of housing. However, the following issue would be usefully considered at this stage of the examination.*

***Issue 1: Is the Council's approach to its housing supply, justified, effective and consistent with national policy?***

1. Contribution of windfall housing, Core Areas (Q.58)

*I intend, if possible, to complete this session at lunch time, or at the very latest early afternoon.*
